

Would you Like to Add **WOWlicious** Appetizers to Your Next Gathering?

The author of **Cooking with Judith** is back with more delectable bites to salivate over. In **Appetizers with Judith: Yummy Nibbles and Starters that WOW!**, Judith Briles shares over 80 more of her recipes that she has created for you and your guests. Somethings produced with the opening of the refrigerator—but usually with planning, especially if a crowd is expected.

How many will be here?

How much time is needed for prepping and cooking?

Within these pages are many of Judith's personal favorites—the ones that are gobbled down at her gatherings.

If you love to have others over and have **WOWlicious** appetizers to enjoy, **Appetizers with Judith** delivers recipes that she puts together for friends and events she hosts in her home. Sometimes with just four ... others, many dozens.

Explore. Find your favorite WOWlicious nibble and starter. Expect to discover the Unexpected that becomes your new go-to, never fail must have.

Judith Briles is a best-selling and award winning Colorado author of 49 books that have been published in 17 countries. She discovered the joy of cooking long before her first book was written.
